- [Phones](#)
- [Elective](#)
- [School Activities](#)
- [Staff Contacts](#)

We made it!! Thank you so much to the support of all of you in getting the students to turn up and complete tasks. We have had some very happy students who have worked hard and been rewarded for it with good results, and some students who maybe need to speak up when they are struggling a bit more so we can support them across the line. Thank you to our wonderful students who turn up and try and do the best they can do with the resources they have! Thank you to the fantastic BUSY Schools team who went above and beyond to support each other and the students through a tough ten weeks! Together – parents, carers, support people, students and staff – we make magic happen!

Also, a reminder that school starts back on the week of 19th April. Have a great break and stay safe!

Naomi Vucas
PRINCIPAL

Timetable

Our course providers could be considered as employers. They decide when a student will be removed from class and look for employability as they may recommend our students to potential employers in their network. Students who are continually late at all times through the day, absent a lot of the time, disrupting classrooms or just not completing work will eventually be removed from the program. Students need to manage their time to be in the training course on time and completing work.

Construction

Skill360 have asked that we remind you if you arrive to Construction after 9am you will not be permitted to enter the classroom and will be sent home.

A second construction course will be starting up next term. If anyone is interested in joining this, please let Naomi or Clare know.

Engineering

We are looking to start an engineering course in Term Two. If your young person is keen to join this course, please let Naomi know.

Phones

Phones are still an issue in classes, and often it is students contacting parents and vice versa. As discussed in all enrolment interviews, students are not permitted to use phones in class time. You are welcome to contact the school on 4058 4792 to get in touch with them during class time. If you need to contact them directly, our breaks are as follows:

Break 1: 10:00 – 10:15

Break 2: 11:45 – 12:15

Break 3: 1:45 – 2:00
