A note from the Campus Principal

This week has been a wonderful week at Salisbury. On Monday I stood at the top of our landing watching our students during their break. There was a wonderful vibe with students all chatting away to each other forming new friendships. There was a real sense of joy at school which made my heart sing, and a little tear may have escaped from my eye as I watched all the beautiful connections being formed.

On Thursday we had a special day with students, suspending academic lessons for the day to focus on wellbeing and connection. Again, there was a wonderful happy vibe with students all pitching in together with cooking and engaging in activities. It makes me so incredibly proud to be a part of this, to see young people relaxed and smiling and happy to be at school.

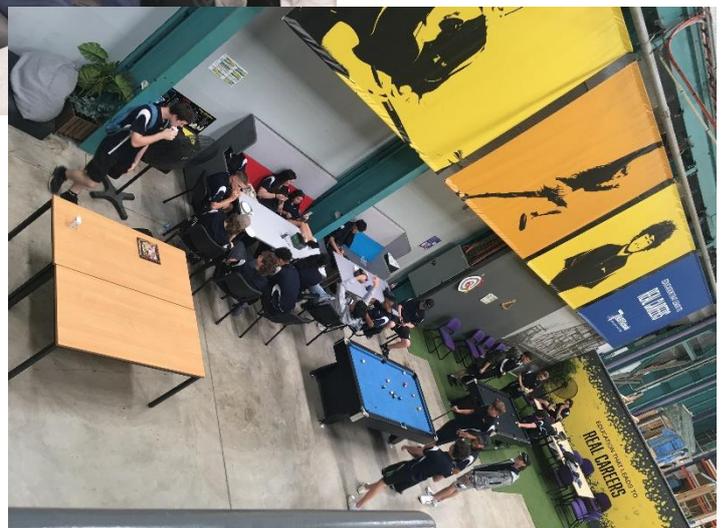

The vibe in our staffroom is also one of joy, as we are so happy to be in our positions at BUSY- giving students a different opportunity to mainstream and watching them shine. One of our student leaders commented to me recently that students can tell staff are happy and love working together which then impacts the students in a positive way. We are all about creating a secure place for our students to learn and thrive. In a family children can pick up when parents are happy and united; they also pick up when parents are not aligned as this directly impacts on family dynamics as we all know. It is the same here at BUSY, we are creating a big family where students can feel secure in their relationships with us and each other. What a wonderful thing to be a part of!

Employment Pathways Officer Update

This fortnight we are celebrating Daniel and Elliot who are doing work experience in Landscaping and Auto Electrical. We also feature Micah who started at BUSY School this year and is doing a Certificate III in Business traineeship. Great work guys!!

TAFE has now completed all their enrollment for 2023, if you are thinking of changing or dropping out it is too late to change courses. We do offer short course onsite if needed. Please come and see Sharnae Group 1 or Rodney Group 2 if you need to discuss this further.

This week we have been lucky enough to have UNIQ You visiting our campus. UNIQ You is focused on connecting Grade 9-12 girls with inspirational women working across unique jobs and industries, this is done via Teams or phone to allow more flexibility with time. On Thursday the 16th during our "wellbeing day" Stephanie our UNIQ You ambassador held an information session allowing our students to have a inside look at what exactly UNIQ You can supply and support with. Next week on the 21st we have an after school hours event where students will get to actually meet some of the career advisors! This is another amazing opportunity. As mentioned during the session, your EPO Sharnae Hapi is our on-site champion and is available to answer any questions or book an advisory session for you – Alternatively you can use the UNIQ You website.

Learning Support Update

On Thursday I had the privilege of taking our young men from group 2 though a workshop on having a healthy relationship with our emotions, particularly looking at the emotion of Anger. We discussed the physical signs of anger, the 4 faces of anger and how we can take control of our anger when we feel ourselves getting stuck in the cycle of anger.
