A note from the Acting Campus Principal

It has been a productive week this week at our Salisbury campus with students working conscientiously to complete their set assessments with the support of their teachers and support staff. We also had a group of students complete their Construction White Card course.

A number of Year 12 students did not think they could complete their spoken presentations for Essential English due to their fear of public speaking, but with some gentle coaxing, reassurance of their abilities and lots of reminders to practice, practice, practice, they got the job done. This showed great determination and resilience and seeing their beaming smiles (of relief) when they were done was gold.

Next term (week 1), the delivery of Certificate II in Supply Chain Operations begins onsite, if your student is enrolled in this course, it begins on Wednesday 19th April. Our other onsite qualifications will also continue in Term 2.

They say it takes a village to raise a child, and we are glad to be part of the village partnering with families to journey our young people into employment. The whole team at Salisbury would like to wish all our families a safe and happy Easter. We have some great things planned for term 2 and we are looking forward to seeing all our students upon their return for term 2 which commences Monday April 17.

Learning Support Update

It has been a BUSY week this week helping our students get their first assessments of the year finished. I love it when students come in on their non-assigned days to take advantage of the extra help on offer and it is amazing how much they can get done with the right mindset and additional support. Wishing a fantastic holiday to all our students. Keep safe and see you next term.

Youth Worker Shout Out

And just like that the term is over. What a BUSY term it has been with all the activities, cooking and fun we have all had here at Salisbury Campus. We hope you all have a safe and amazing holiday and Easter and we are looking forward to seeing you all back on campus on Monday 17th of April for Group 1 of Thursday 20th April for Group 2. During the holidays if you need any support please reach out to either of the Youth Workers.
