A note from the Campus Principal

Dear Parents, Carers, Students and School Community,

Congratulations to all the Year 12 students who completed their CIA exams in week 7. It was great to hear such positive feedback from the students and teachers about how well the students did during the exams. The teachers are now busy with marking and will get the results back to students before the end of term 2. The focus on assessment now turns to the Year 11's who are busy preparing for their mock CIA exams.

In week 9, the Year 11's will have the following exams taking place:

Essential Math – FA2 Mock CIA Exam	8:45 am – 10:00 am	Group A – Monday 12/06 Group B – Wednesday 14/06
Essential English – FA2 Mock CIA Exam	10:45 am – 12:30 pm	Group A – Monday 12/06 Group B – Wednesday 14/06

As we approach the end of this term it is very important that students attend school each day, so they are not missing out on important revision and preparation for exams. We want to encourage our students to complete all their assessments on time. For those students who do complete all assessments on time, they will receive a **"golden ticket"**. This ticket grants the students the opportunity to take a break and not attend school during Week 10! Students will still be required to attend their vocational courses and apprenticeships/traineeships. For students who do not receive a Golden Ticket, they will be expected to attend school as normal and use this time to complete any outstanding assessments.

Next week, I am pleased to announce that we have a new Learning Support Teacher commencing with us. His name is Paul Tighe, and he has over 7 years of teaching experience in various school settings in Queensland and the Northern Territory. Please welcome Paul to our school when you see him next.

Basketball Challenge

The BUSY Schools Basketball Challenge commenced on June 1 and to support this initiative we will be holding a basketball game at Shailer Park to compete against the Brisbane City campus on June 14. Our students will battle it out with 2 on 2 and then it will be a competition to see who can shoot the most hoops in 1 minute. Winners will receive some really nice prizes! This event will commence at 12:30 pm on June 14 with a BBQ and finish at 2:30 pm.

VET Update

Certificate II in Retail Cosmetics

Mia and Keira have been attending The French Beauty Academy in Brisbane City where they have been completing a Certificate II in Retail Cosmetics. Both students have received excellent feedback from the trainer Jordan. They are always willing to learn and lend a helping hand to classmates. Keep up the great work Keira and Mia!

THRIVE Program

A group of Year 11 students successfully completed the THRIVE Program this week. Thrive is an 8 week in school program offered once a week. THRIVE is designed to help young people reach their personal goals by teaching the core values **Talk, Honesty, Respect, Identity, Visualise & Environment** through fun engaging activities. Congratulations to all the students who made it through!

Industry/SAT Updates

Year 12 student, Finn was signed into an electrical apprenticeship in March with Mark from Preferred Electrical. Finn is BUSY Schools, Shailer Park's first electrical apprentice. Last year Finn completed a block of work experience with QPower and loved his experience. Finn received great feedback from the supervisor and Finn knew that his goal was to become an electrician. Mark from Preferred Electrical contacted The BUSY Schools at the end of last year and Finn was interviewed, completed work experience, and was then offered the apprenticeship. Finn impressed Mark with his attitude, willingness to learn and quick thinking. Well done Finn!

Year 11 student, Oscar was signed into his carpentry apprenticeship with BJ and M Constructions. After a successful round of work experience in the freezing winter mornings, Oscar impressed Brent and was offered the apprenticeship after a few weeks of work. Great handshake Oscar! Well done.

Lexie has been signed into her school-based childcare traineeship with Hatchlings. After a successful work placement, Lexie was offered a traineeship with Hatchlings. Lexie will work towards achieving her QCE and be well qualified in childcare before she completes year 12. Well done, Lexie!

Kady was all smiles today. She has been signed into her Cert 3 in Business Traineeship after a successful round of work experience with the friendly grocer. Kady will be working towards her Cert 3 in Business while completing her senior studies. Well done Kady!

Jordyn has recommenced in a childcare traineeship with Good Life Kindergarten and Child Care at Beenleigh. Jordyn is working 2 days a week and is loving working with the toddlers. Well done, Jordyn!

Georgia has commenced a Certificate III in Business traineeship with SABE Electrical in Loganholme where she is working one day a week in the office assisting them with their admin. Well done, Georgia!

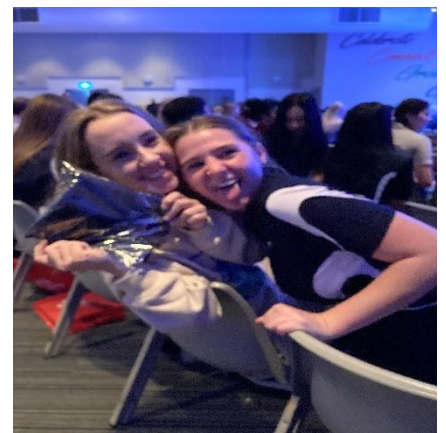

Nathan has been officially signed up into his apprenticeship this week. Nathan will be working towards gaining his Trade Qualification in Painting and Decorating while completing his senior studies with the BUSY School Shailer Park. Nathans Employer was impressed with Nathans work ethic and dedication. He stated that Nathan was a standout and created a position on his team just for Nathan. We are very proud of you Nathan. Congratulations.

YES Summit

This week, 5 students attended the YES summit (Young Entrepreneur Summit) at the KP Centre in Logan. This summit is specifically designed to help young people develop the skills and mindset they need to become entrepreneurs, innovators, creatives, engineers, scientists, and small business owners. YES, featured keynote presentations, panel discussions, interactive group workshops and an opportunity for students to experiment with their soft skills through group networking sessions.

Office Works Visit

Yesterday we were delighted to welcome the Officeworks team for a visit to our Shailer Park campus in support of their 'Make A Difference' appeal during the month of June. Thank you to Store Managers and team members from Pimpama, Loganholme, Mt Gravatt, Capalaba, Southport, and Browns Plains stores. It was so lovely to share those goosebump moments with you when we talked about our impact for disengaged students.

Did you know 1 in 5 Australian students are disengaged from their education? The BUSY Schools are on a mission to change this!

CORPORATE EVENT

Grab your crew and have some fun - all while helping teens stay in school!

WHEN

Wednesday 21st June, 9.00am - 12pm

WHERE

Carrara Indoor Sports Stadium

WHAT

We invite you to take part in the inaugural Corporate Event for The Basketball Challenge - but this is not your standard game of basketball... corporate CEO's and their teams are taking over the stadium!

REGO

Register via www.basketballchallenge.com.au. For corporate teams, we ask for a donation of \$1,500.

INFO

Sign up your business to shoot hoops with your teammates and see how many baskets you can sink in exactly 4,400 seconds (1 hour, 13 minutes and 19 seconds). This time period reflects the 4,400 students in Queensland who require assistance to re-engage with their education.

- Designed to bring your crew together for some team bonding out of the office (and perhaps put your CEO and management team to the test), we invite you to compete against other teams for the title of Champion Sinkers!
- It's not a standard game of basketball - The clock will start at 10am and your team will have exactly 1 hour, 13 minutes and 19 seconds to shoot and sink as many baskets as you can.
- You will have your own half-court and hoop - all to yourselves - to determine your basket-sinking strategy, player set-up, and team member rest breaks.
- You can have as many or as little people in your team as you like!

A volunteer will track your baskets as you sink them and display them up on the score board for all participants to see.

At the end, if your team has the highest number of baskets, you'll win the bragging rights!

It doesn't matter how good or bad you are at basketball. This is about having some fun, being part of the action and raising funds for The BUSY Schools.
