A note from the Campus Principal

Big shoutout to our students taking charge in exams and assessments over the last fortnight. You're acing it! 📖📝 A big thank you to those who supported our colourful fun last week on Wear It Purple Day! The BBQ and cupcakes were welcomed by all, and it was fantastic to see our future leaders in action. This week, we made sure our health is in check with optional immunizations from Queensland health nurses. It was a fantastic opportunity for our young people to catch up on any missed childhood immunizations. We thank all of our students and families for your ongoing support - we're all in this amazing journey together! 🌟🍷🌈

A final reminder that **FRIDAY 1ST SEPTEMBER IS A PUPIL FREE DAY!**

There will be no classes held on site, including Supply Chain, Art and normal curriculum classes.

Curriculum and Assessment News

Well done BUSY Students! You got through the assessment for Term Three and have done quite well. All marks will be finalized early next term, so if you haven't heard how you did by then, ask the teacher for results. Parents are always welcome and encouraged to communicate directly with the relevant teacher for more information.

Year 12 update:

Some Year 12s are not wanting to attend in Week 9 and 10 this Term because they will have completed their assessments.

It is an expectation that you attend up until the last day of each Term this year. In Yr 12, once you complete one assessment, you immediately prepare for the next one. You will have a greater chance of remembering the work, and achieving success in all assessments if you attend every lesson, every week of the term.

Your first assessment in Term 4 is in week 3 for the SCS exam, the Essential English IA4 assessment is due week 5 as well Essential Maths exam on Monday and Wednesday.

If any students and parents have any queries about students gaining their 20 QCE points, applying for an extension of time with a Medical Certificate, how they are going in their subjects please come and ask me.
