A note from the Campus Principal

On behalf of the Teaching and Support team, we would like to thank families and the students for attending the Year 11 Awards Ceremony last Friday, it was fantastic to see all the families and staff come together to support students and celebrate their success.

I'd also like to thank parents for providing feedback for the annual school improvement survey. This data and feedback is overwhelmingly positive and we also thank parents and student for their suggestions for improvement for 2024. The school has hired an IT company to set up a new phone system for 2024, which will include direct landline numbers for parents to contact the school.

Next week, we will be releasing communications around the 2024 Year 12 Orientation Days which will commence on Tuesday the 23rd of January, along with a copy of students report cards. Please note that the team will be working through the next few weeks to finalise 2024 timetables and VET enrolments. Students and parents can expect to receive this information the week before school commences.

On behalf of the school team, I wish you are your families a safe and festive holiday season.

We look forward to working alongside you all in 2024.

Andrew Cavanagh
Campus Principal

What's Happening in the Classroom

Essential Mathematics

What a year it has been in Math's at The BUSY School Cleveland. All students have come such a long way since joining the campus and I can't express how proud we are to have had the pleasure of seeing such growth over the year. The results from the FA4 math's test were very pleasing and every student should be proud of what they achieved. We wish all students a happy, safe, and restful break and look forward to continuing the math's journey throughout year 12 in 2024.

Update from Learning Support

EXAMS

The exams are over and all students who required access arrangements were offered support during the exam period. If your student found the exam period challenging, please get in touch so that we can discuss support provisions.

INDIVIDUAL LEARNING PLANS

Now that the exams are complete and assessments submitted, I have returned to the task of developing student Individual Learning Plans. These will be emailed to parents when complete and parents are asked to review the learning plan with their student. If you would like to arrange a meeting or feel that your student needs urgent support, please contact us directly so that we can make a plan.

I wish you all a Merry Christmas and a restful break!

Jen Madden

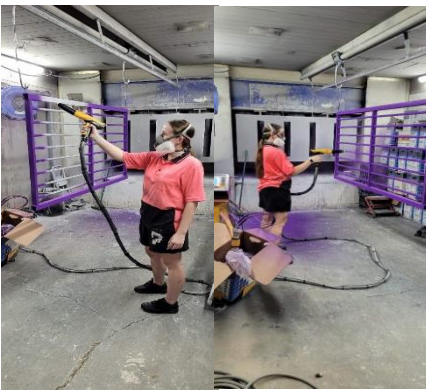

(Learning Support Teacher)

BUSY Schools Cleveland Campus Industry Update

We're thrilled to share some exciting updates from our industrious students as they continue to excel in their respective fields. Here's a glimpse of the remarkable achievements and experiences our talented individuals are garnering in their journey towards professional success.

Jordyn Redfern's Success at Bayside Powder Coating:

A round of applause is in order for Jordyn Redfern, who has recently embarked on a transformative work experience journey at Bayside Powder Coating. Jordyn's dedication and enthusiasm have not gone unnoticed, as she immerses herself in the world of powder coating with hands-on experience. Her employer has expressed commendation, noting Jordyn's quick grasp of the skills required for the job. We are immensely proud of Jordyn's achievements and look forward to witnessing her continued growth in the industry.

Certificate I in Construction Graduates:

A hearty congratulations goes out to Harry, Daniel, Aidan, Ben, Declan, Matthew, Hayden, and Toby from the Certificate I in Construction program! We are thrilled to announce that these industrious students have successfully completed their studies and obtained their well-deserved certification. Their commitment to learning and the construction industry is truly commendable. We wish them every success as they take the next steps in their careers, equipped with the skills and knowledge gained during their time at BUSY Schools Cleveland Campus.

Certificate II in Self Awareness Program Nearing Completion:

Our students pursuing the Certificate II in Self Awareness program are on the brink of completing their studies. This achievement reflects their commitment to personal and professional development. We commend their hard work and dedication throughout the course, and we're excited to see how they apply their newfound knowledge and skills in their future endeavours.

Certificate II in Active Volunteering Students Making a Difference:

The students enrolled in the Certificate II in Active Volunteering program are not only excelling academically but are also actively contributing to their community. A shining example of this is their involvement with "The Cage," where they have been lending a helping hand by sorting clothes for those in need. Additionally, these students have been making a positive impact on the environment by participating in landscape work around the grounds. Their commitment to community service is truly commendable, and we are proud to see them making a difference beyond the classroom.

At BUSY Schools Cleveland Campus, we take pride in the accomplishments of our students and celebrate their dedication to personal and professional growth. These success stories are a testament to the passion and commitment that our students bring to their studies and work experiences.

As we continue to support and nurture our students on their educational journey, we look forward to more achievements and success stories in the future. Thank you for being a part of our vibrant and thriving community.

Feedback Process

At The BUSY Schools we want everyone to have a voice! We want to hear any compliments and/or concerns. The best way for feedback to be effective is to pass it through the most relevant channels. If you have anything you need to express, you could:

- Approach the relevant people directly and have a respectful conversation to resolve the incident;
- Approach Andrew Cavanagh to discuss the issue; and/or

Report the feedback on the BUSY Schools Website: <https://www.busyschools.qld.edu.au/busy-schools-feedback/>

INCLUSIVITY
